

AN IDEAL REMEDY FOR NURSING MOTEERS

Compound of Simple Laxative Herbs
Safe for Baby and Mother.

Constipation is a condition that affects the old, young and middle-aged, and most people at one time or another need help in regulating the action of the bowels. Harsh cathartics and purgatives should not be employed to relieve constipation, as their effect is only temporary while they shock the system unnecessarily.

A remedy that can be used with perfect safety for the tiniest babe and that is equally effective for the strongest constitution is found in the combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin and sold in drug stores everywhere for fifty cents a bottle. This is an ideal household remedy and should be in every family medicine chest.

Mrs. F. I. Barsolow, 18 Leslie St., Holyoke, Mass., wrote to Dr. Caldwell, "Syrup Pepsin certainly is fine. I gave it to my baby, Evelyn, and also took it myself. It is the only medicine I have been able to take without

affecting Baby in the nursing. I have used it for all four children.

EVELYN BARSOLOW

and it is fine; they like it and ask for it."

A trial bottle of Dr. Caldwell's Syrup Pepsin can be obtained, free of charge, by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

BRITAIN NOT SCARED

American Protest Causes Little Concern in London

London, Nov. 12.—"The American people causes us little concern as Englishmen," says The Spectator, commenting on the recent note of the United States to Great Britain relative to interference with American trade. "Its harsh and unsympathetic tone will not make us relax, in the slightest degree, the grip on the throat of Germany which our sea power gives us. We shall answer the note politely and in a much more human spirit than that which inspires its words. But we shall answer it firmly. That we must do whatever the consequences, but there will be no consequences."

The Spectator believes the majority of Americans would not tolerate seeing Great Britain stabbed in the back. It does not believe President Wilson will knit the problems of munitions and contraband and it refuses to regard America as a purely foreign country.

SLAIN WITHIN LIMIT HE SET

Young California Man Killed in the Trenches in France

Berkeley, Cal., Nov. 15.—News of the death in the French trenches recently of Lieutenant John W. Barnett, graduate of the University of California, who was prominent in athletics, was received today by John Stroud, graduate manager, and showed that

the young officer was killed within a few days of the time limit he put on his life.

In a recent letter Barnett said he had been promoted to be a range finder.

Proven Swamp-Root Aids Weak Kidneys.

The symptoms of kidney and bladder troubles are often very distressing and leave the system in a run-down condition. The kidneys seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected as these danger signals often lead to dangerous kidney troubles.

Dr. Kilmer's Swamp-Root which soon heals and strengthens the kidneys is a splendid kidney, liver and bladder remedy, and being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who use it.

A trial will convince anyone who may be in need of it. Better get a bottle from your nearest drug store, and start treatment at once.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Bennington Evening Banner.

Mr. Woods, while not claiming to be a professional entertainer, gave a performance easily ranking with stage exhibitions. The Sunday school orchestra of the church, led by Wilbur Long, rendered a musical program and during the refreshments served after the entertainment, several additional musical selections were offered by a stringed orchestra composed of Charles W. Thompson, C. L. Chamberlain and H. White. Fred C. Mart-
